Dear Si:

26 OCT 1977

Thank you for your letter of 13 October concerning a senior government major [redacted] who is interested in applying for a job with this Agency. It was good to hear from you.

In response to your request, I am enclosing two brochures which should be helpful to you. One of these contains general information about the Agency and the other describes our professional employment requirements and opportunities. Also enclosed is a set of preliminary application forms. If you will have your student complete and return one of these to us, we will review his qualifications against our current needs and advise him further. Let me add, our hiring is extremely limited at this time, and the few requirements we have are very specific in nature.

Needless to say, I appreciate your interest in this organization and I am very pleased that your football team is doing so well.

My best to you and Diana,

/s/ Stansfield Turner
